

USING IMAGES OF CHILDREN
CONSENT FORM FOR USE BY
SOUTH TYNESIDE SWIMMING CLUB

Dear Parent / Guardian,

We may take photographs of the children at the swimming club. We may use these images in our publicity material, or in other printed publications that we produce, as well as on our website or on display boards in the swimming baths. We may submit photographs to the local newspapers and swimming magazines. We may also make video recordings for use on the website and as an aid to training.

From time to time the club is visited by the media who will take photographs of film footage of a visiting dignitary or high profile sportsman. Swimmers will often appear in these images, which may appear in local or national newspapers, or on televised news programmes.

To comply with ASA guidelines and best practice we need your permission before we can photograph or make any recordings of your child. Please answer questions 1 – 4 below, then sign and date the form where shown.
