The use of such equipment is difficult to control but we can all be vigilant & if you have any concerns in this area, please bring them to the attention of someone responsible.

This event will be photographed and videoed. Static images will be displayed on the website **www.swimming.org** at the venue and used to promote the sport at this event and events in the future. Moving images will displayed at the venue and used as part of a highlights package which will be uploaded onto **www.swimming.org**. British swimming and the ASA work closely with our experts to ensure that in making these images available to enhance the presentation of the event; we are not putting any children at risk in any way. If you have any concerns please refer to ASA Wavepower document, section 6, pages 60-62. The document can be found at **www.swimming.org**

The following is taken from the Data Protection notice and relates to photography and video images for all events.

**Recording images:** The ASA and British Swimming may record the competition events in which you participate and general images of swimmers will form part of the information we hold and use. # COACH & CHAPERONE PASS

## INFORMATION 2013

### ALL APPLICANTS MUST BE DBS CHECKED THROUGH THE ASA PLEASE SEE INFORMATION BELOW.

Please note from the 12<sup>th</sup> November 2012 the CRB changed to the DBS Disclosure & Barring Service.

Applicants are advised the DBS (CRB) process could take up to 3 months to complete. Forms can be obtained through the ASA DBS (CRB) Office on 01509 640738. All applicants must be registered with a club.

The ASA will not be processing DBS (CRB) Enhanced Disclosure Certificates issued by other registered / umbrella body organisations from 1st January 2008.

The ASA have endeavored to offer a portability service but this has been increasingly difficult due to the withdrawal of support from other registered bodies, who will not share information they have received with The ASA. Accordingly and with regret this service will be withdrawn with effect from the 1st January 2008.

All ASA clubs and license applicants will have to complete a DBS (CRB) application form regardless of any previous enhanced disclosure they have with another organisation, however recent.

Further information on the DBS (CRB) guidelines on portability is available on their website at [www.homeoffice.gov.uk/crime/vetting-barring-scheme](http://www.homeoffice.gov.uk/crime/vetting-barring-scheme)

First time applicants must complete both the form and Self Declaration form (purple). The purple form will allow an individual to appear on the club's child protection list whilst the DBS (CRB) application is being processed. The purple form gives the applicant the opportunity to declare any convictions that may appear on their disclosure. Forms are obtainable from the ASA DBS (CRB) Office ( 01509 640738)

All new applicants must enclose one passport sized photograph and existing coaches who have not submitted a photograph within the last three years must do so. Please note in order for the pass to be valid coaches must have swimmers attending the relevant competition that the pass has been issued for.

If you apply for an Annual Coach Pass they will be sent out in the post directly to the Coach prior to British Gas International Swimming Meet which is taking place in March. If you apply for an individual pass for an event they will **NOT** be sent in the post they will be available to collect at the event. Should you have any queries please contact the Events Department on 01509 640261.

### Age & Youth Coach/Chaperone Passes

Please note any applicant applying for both of the above events will receive one combined pass and not 2 separate passes for each event.

## IMPORTANT

**Please note that Coaches/Chaperones will not be allowed on poolside without a valid pass. Under no circumstances will Coaches/Chaperones passes be issued on the day of competition. Lost/replacement passes will be charged at £10.00**
